## A MESSAGE FROM OUR PASTORS

“Not that we are adequate in ourselves to consider anything as coming from ourselves, but our adequacy is from God” – 2 Corinthians 3:5

## 2019

2019 marked the tenth year Echo.Church has been serving the Bay Area. A decade later, our methods have evolved, but our mission is the same: “we exist to urgently lead people to say YES to Jesus and passionately follow Him.”

We have so much to celebrate in 2019. We launched our fourth campus in March seeing an average

of 250+ attendees on a regular basis. In late 2019, we also announced our partnership with Crossroads Church, which will lead to the new Echo Crossroads Campus launching Summer 2020.

In 2019 we also hosted two different church planter assessment gatherings at our North Campus where 27 new church planters got assessed and trained. In October 2019, we were able to host the Exponential Conference where we served over 500 Bay Area church planters, pastors, and business leaders.

In this report, you will find numbers and figures we shared as our “Health Indicators”. We measure these things because we believe every number represents a story and each story matters to God. Our leadership team reviews these figures on a regular basis as we strive to lead our church in a God-honoring way.

We want to thank you for your partnership through your generosity, your service, and your participation.

Blessings,  
Pastor Andy and Stacie
