A MESSAGE FROM OUR PASTORS

Spring 2021

This past year has been more than challenging on a global and local scale. We've grieved with our community over loss, sickness, and racial injustice, as well as observed division, depression, and anxiety at an alltime high.

Yet as much as we have grieved, we have had greater cause to celebrate:

In response to the COVID-19 crisis, we launched Echo Compassion. We were able to help 340 families with direct financial or personal assistance. For each and every one of these families, we prayed that God would meet them and guide them toward Himself.

Our 2020 Easter service was completely virtual, yet we had 10,000+ viewers

online. Many people heard the Good News about the love of Jesus while the world was in chaos.

Despite the pandemic, we saw more baptisms at Echo in 2020 than we did in 2019! God has clearly been working in this season!

We were able to contribute to 56 mission organizations, doubling our impact from 2019. From the typhoons in the Philippines, to refugee assistance in Turkey, to supporting missionaries in closed countries, we are echoing God's love around the world.

This 2021 Easter, we saw over 2500 people return to in-person services safely across our four campuses and thousands more joining us online. As we relaunch physically, we will continue to invite more and more people to say yes to Jesus and passionately follow Him.

Thank you for being a part of God's work! Thank you for serving faithfully, for giving generously, and for believing boldly that the best is yet to come.

Let's continue to spread the love of Jesus in our city, to start more campuses and churches in our region, and to confidently put our faith in a God that can take the seeds we plant here and echo them around the world.

Looking forward to a great year with you!
